1. Competitor requirements

All competitors are required to provide the following documents to be allowed to participate in WES Barcelona (as per the 2019 WES Regulations)

- Manufacturers Declaration Conformity Certificate (e-Bike)
- Motor Diagnostic (less than three months old)
- A valid UCI racing license

Particular attention shall be paid to the following 2019 WES Regulation points

1.8.5 Wheel and tyre size are at the discretion of the rider but must conform with the Manufacturers Conformity Certificate.

1.8.11 There must be no more than 5% difference between the programmed wheel size and the measured wheel size, in accordance with DIRECTIVE 2002/24/EC OF THE EUROPEAN PARLIAMENT

2. Statement that the race shall be run under the UCI regulations

WES Catalunya shall be held under the rules and regulations of the Union Cycliste Internationale (UCI). All athletes must comply with both UCI rules and regulations as well as those of WES.

3. Commissaires

UCI (Union Cycliste Internationale)
RFEC (Real Federacion Espanola Ciclismo)

4. Event specific details

Personal protection requirements

- Knee and elbow protections are mandatory, during practices and races.
- CE Back protection is strongly recommended. Although this may be substituted for a backpack.
- Helmet: Full Face for Enduro.
- Longsleeve jerseys and full length trousers are recommended.

Drones

- Drone usage is forbidden at each venue. Paddock, XC & Enduro.

Personal cameras

- Are permitted on the condition that a personal disclaimer is signed
- Bike mounting only: No helmet, no chest, etc.

Administrative checks

- All riders must pass the bike controls and administrative checks, to receive their numbers and transponders before official rider training.
- XC racers must check their spare wheels for them to be accepted in the race technical zone

WES Regulations “Enduro official training” clarification

2.11.2 Reconnaissance's are allowed the day before the race, in the allotted time period, and with the ebike that the athlete will use during the race complete with race plate.

2.11.3 Any athlete that uses a vehicle other than their e-bike during the reconnaissance period to study the circuit shall be excluded from the event.

5. The specific regulations for the race (non-standard regulations)
