### 16. SOCIAL

Follow the action on our social networks [Instagram](#), [Facebook](#) and [Twitter](#) and share with **#CopaOsona #TICVTrial #UCIC1**

### 17. RESPONSIBILITIES

It is strictly forbidden to practice Trials outside the warm up area marked by the organizer. This, and any other improper behaviour, could mean the exclusion from the competition with no right to refund.

### 18. COVID REQUIREMENTS

Corona virus pandemic has affected everyone and a lot of changes are required in order to follow the safety protocols needed to hold a competition.

We are aware that these new measures might somehow seem annoying but for the safety of everyone and to be able to host this event we need everyone to follow the rules. We highly recommend to reduce the risks of infection to the minimum. Depending on the specific situations, eventual positive tests might place the competition at risk of being cancelled.

#### 18.1. BASIC SAFETY MEASURES

Basic safety measures are required such as masks kept on mouth and nose all the time, keeping the safety distance of at least 1,5 meters all the time, temperature check entering the event place, bringing the self-declaration at the first day of practice.

## 18.2. TRAVEL

All travellers coming from outside Spain, by air or sea, must fill in an electronic public health form before starting their journey. The form is available at the [following link](#) or in SPAIN TRAVEL HEALTH-SpTH app ([Android](#) and [Apple](#)). Once completed, the traveller will receive a QR code that must be presented to the country.

## 18.3. PCP TESTS

An official document of PCR test with negative result is required for each rider and team staff member to enter Spain carried out in the 72h prior to your arrival.

This certificate or supporting document must be the original, will be written in Spanish, English, French or German and may be presented in paper or electronic format. The document will contain, at least, the following information: traveller's name, passport or ID number, date of the test, identification and contact details of the centre that performs the analysis, technique used and negative test result.

## 18.4. BUBBLES

Each team must keep on their specific bubble in the team area separated by the other with safety distances.

## 18.5. SPECTATORS

A maximum of 1000 spectators might be allowed to watch the competition. Spectators are to be considered as another isolate bubble and won't be allowed to get in contact with the other two bubbles (riders/teams and media/organization).

## 18.6. PCR TESTS BACK TO YOUR COUNTRY

Negative PCR tests can be required to travel back to your country.

Despite population vaccination,  
Covid19 still a threat.

We call for:

**COMMON SENSE - RESPONSIBILITY - PRUDENCE**

Use mask

Keep distance

Clean hands regularly

Go home after finish your race

Come as few companions as possible

**Many thanks**
